FOOD SERVICE PERMIT REGULATIONS

Ordinance #04-11, County of Lafayette

1. All food service establishments must have a *Current Food Establishment Permit Posted* so that it is readily visible in the establishment (see the permit renewal application for details)
2. Any Priority Violations noted during an inspection must be corrected immediately or as stated on the inspection. Core Violations must be corrected by the date listed on the inspection. Failure to comply within reasonable time limits will result in legal action which may result in establishment closure.
3. Management personnel are required to obtain Serve-Safe or equivalent approved program and must be present at all times while the establishment is open. Employees who handle and/or prepare food must obtain a valid food handlers certificate from State Food Safety (within one month of hire date) refer to the Food Handlers Schedule for approved course. If your establishment only handles pre-packaged food and does not prepare food you are exempt from this requirement.
4. *The person-in-charge shall be familiar with the required duties and knowledge under the Missouri Food Code: <http://www.dhss.mo.gov/FoodCode>. : (this includes knowledge of food borne illness prevention, HACCP principles and Food Code regulations)*
5. *Managers/Individual Food Handler Cards must be on file at business.*
6. ANY time there is a FIRE, SEWAGE BACK-UP, POWER OUTAGE, or other catastrophe that could affect food or food equipment YOU MUST NOTIFY THE HEALTH DEPARTMENT IMMEDIATELY. Failure to do so may result in a suspended permit or extra fees.
7. The 24/7 EMERGENCY ONLY number is 816 694 1404 Debbie
8. *If you have a change of ownership, a major remodel or other significant changes to your operations you must notify us during regular business hours and may require a new permit or a plan review inspection. Failure to notify may result in permit suspension or extra fees. Office number 660-259-4371- ext. 2005*
